MEMORANDUM FOR: Deputy Director of Central Intelligence
VIA: Chairman, National Intelligence Council
FROM: Lawrence K. Gershwin
National Intelligence Officer for Strategic Programs
SUBJECT: Your Agreement with Carlucci On SECDEF/DCI Net Assessments

Andy Marshall wants to memorialize your verbal understanding with Secretary Carlucci on net assessments done pursuant to the Weinberger-Casey agreement of 1981. He sent over some draft language to this purpose for an informal check (see TAB A).

Andy and I agree that it would be useful to keep this form of collaboration alive because it has produced well in the past and is free of the complications of the more elaborate net assessments mandated by Congress and centered in DOD on the JCS, in which we are also collaborating.

With the penciled-in fix specifying OSD's lead in another strategic forces net assessment, I believe the attached language is OK.
